

# The Untold Stories of Hackers in Detention

JKT and azet

hack.lu 2017

# Introduction

- ▶ who we are
- ▶ Phrack Volume 0x0e, Issue 0x43, Phile #0x05 of 0x10
- ▶ arrest / circumstances

# Getting around

- ▶ getting comfortable / talking to people
- ▶ pick your own / really good lawyer(s)
- ▶ do not join a gang / don't punch anyone / be respectful
- ▶ formalities in prison / guards / social workers
- ▶ inmates talk a lot of shit - don't believe everything you hear

# Dealing with boredom

- ▶ communication with people / family outside
- ▶ writing the same thing over and over again
- ▶ prison food / prepare your own
- ▶ reading / library / tv / newspapers / consoles
- ▶ be patient - you WILL get really frustrated with the justice / legal / prison system

# Things to avoid

- ▶ gambling / drugs / cellphones / anything that involves other people's money
- ▶ talking to police / state attorneys / guards (too friendly / much)
- ▶ talking about your case / other inmate's cases / accusations
- ▶ microphones / prison phone
- ▶ actually becoming a criminal (you WILL get out at some point!)

# Snitches get stitches (literally)

- ▶ so do rapists and child molesters. snitches get placed in the same sections for their own protection
  - ▶ the rapists also hate snitches. enjoy.
- ▶ you're usually off worse and you'll have a hard time
- ▶ most people already talk way too much to police (shut the fuck up!)
  - ▶ they're going to use everything against you
  - ▶ have no power to cut deals
  - ▶ fact alone may be used against you

# Questions?
